Factors you would like us to consider:

If your application is accepted, it is understood that you will proactively volunteer your time for the Cape Elizabeth Football Programs (examples: concessions, chains, fundraising, team parenting etc). The organization is assisting your child so he/she can play football. The football organization is not privately funded and depends greatly on registration fees, fundraisers, sponsors and related volunteering efforts from parents to keep the organization active.

Please let us know where you can help by placing a check next to the activity for which you would prefer to volunteer. Check as many as you can!:

- Family Fun Day, Team Administrator, Chain Gang/Scoreboard Operator,
 Apparel ordering & sales, Banquet Coordinator/Committee, Calendar fundraiser
 Concessions(at High School Games), Video/Photography, Team Dinners,
 Booster Committee, Program Committee, Fundraising Committee
